**PLAINTIFF ROMAG FASTENERS, INC.’S MOTION TO
AMEND OR CORRECT THE JUDGMENT AMOUNT**

Plaintiff Romag Fasteners, Inc. (“Romag”) hereby submits this Motion to Amend or Correct the Judgment Amount set forth in this Court’s Order Amending the Final Judgment (“Order”) dated April 29, 2021 (Dkt. # 588). In the Order, this Court awarded Romag \$90,759.36 in disgorged profits made by Defendants Fossil Group, Inc. and Fossil Stores I, Inc. (“Fossil”) and stated that the total judgment against Fossil was \$132,622.11.¹ (Order at 11.) According to this Court’s Second Amended Final Judgment dated October 15, 2018 (Dkt. # 560), the amount of damages awarded to Romag against Fossil with respect to patent infringement claims was \$51,052.14. (Dkt. # 560 at 2.) Romag respectfully submits that the total of the disgorged profits award of \$90,759.36 and patent infringement damages award of \$51,052.14 to Romag against Fossil is \$141,811.50, and not \$132,622.11, and respectfully requests that the Order be amended or corrected to direct that the amended final judgment reflect the total amount of \$141,811.50.

¹ This Court’s calculation of the total judgment against Fossil appeared to add the previously discounted patent infringement damages amount against Fossil of \$41,862.75, which discounted award had been vacated and restored to the jury’s award of \$51,052.14. (Dkt. # 560 at 2.)

Wherefore, Romag respectfully requests that the amended final judgment include (1) the total of the disgorged profits and patent infringement damages award to Romag against Fossil of \$141,811.50; (2) the patent infringement damages award to Romag against defendants Macy's Inc. and Macy's Retail, Inc. of \$15,320.61; (3) the award of \$416.82 in prejudgment interest; and (4) the award of post-judgment interest at the rate of 1.53% until the total judgment is paid as stated in the Second Amended Final Judgment.
